

Agape Christian Academy Parent Information

At Agape Christian Academy, we believe that athletes and their parents are ambassadors of Christ, called to reflect His character in their words, actions, and attitudes. Your support—through positive encouragement and active volunteer involvement—plays a vital role in shaping a Christ-centered, respectful, and thriving athletic program. Below is information on our programs and how you can be a vital participant.

Expectations

❖ **Be An Ambassador of Christ**

As a parent in the Agape Christian Academy community, your presence and participation have a powerful influence—not only on your child, but on the entire athletic program.

Please remember that your words and actions, whether in the stands, on the sidelines, or in conversations with other parents and players, reflect Christ, our school, and your family (Ephesians 4:29).

❖ We ask that you **model respect, encouragement, and unity in all interactions**, especially during times when emotions run high, such as during competition. Public support for our coaches is essential. Negative comments—whether directed at coaches, referees, other players, or fellow parents—can damage trust, erode team morale, and undermine the authority God has entrusted to our leadership. If you ever have concerns, please address them privately and respectfully through the proper channels, rather than in front of athletes or other families.

❖ By **choosing to show grace and lift others up**, you're helping build an environment where Christ is honored, our students grow in character, and our athletic program flourishes both on and off the field.

❖ Please make it a priority to **arrive on time when picking up athletes** after practices and games, as it shows respect for our coaches' time and helps ensure the safety and well-being of all students.

❖ **Download the GameChanger App** for communication from coaches and the team. You can also view the schedules and watch games when they are streamed.
