Agape Christian Academy

For 22 years, Agape Christian Academy has provided Christ-centered K–12 education in Geauga County.

Today, over 220 students learn across our Burton and Troy campuses, where our goal goes beyond graduation: we are preparing young people to think clearly, live faithfully, and serve others. **This fall, I'd like to invite your business to be part of that work.**

Partnering with homes and churches, we equip students with unchanging faith, wisdom, and excellence to face a rapidly changing world.

On Saturday, November 7, 2026, our largest event, the 22nd Annual Autumn Auction, will be held at Friendship Alliance Church in Auburn. Building on last year's $95,000 raised, our goal this year is $100,000 to support our teachers and programs.

Would you consider donating an item, service, gift card, or experience for this year's auction? We will gratefully recognize your support in event signage, print, and digital media, and provide a complimentary ticket. Your tax-deductible donation directly invests in shaping future leaders.

To donate and request your ticket, contact our office at 440.834.8022 or burtonagape@agapeca.com.

Thank you for partnering with us.

In His Service,

Christian Klein
